Subject: Aquila Update

Hello Tinka,

Barry Hildred and Andrew Boushy from Aquila are going to be traveling through Chicago the week of February 1. Since we last met in December there have been a number of public events that have transpired on the Back Forty Project with the MDEQ and other interested parties/Native American groups. Since Barry and Andrew will be in your vicinity that week, thought it might be of value to meet with you and touch base on the project. An alternative to a direct meeting would be a conference call with you that week.

Could you let me know if you have any time available?

Best regards,

Steve
